

Local Ballot Measure: H

Arguments and rebuttals are the opinions of the authors. We print them exactly as submitted.

Argument In Favor of Measure H

SUPPORT OUR LOCAL HIGH SCHOOLS!

Vote **YES on Measures "H" and "I"**

Help our local high school expand and improve innovative career technical/ medical pathways programs!

Vote YES on "H" and support King City, Greenfield, Portola Butler Continuation, and Pinnacle Coastal High School job training programs!

YES on "H" and "I" will:

- Retain and attract high-quality teachers
- Remove hazardous materials like asbestos, mold, lead paint from high schools
- Ensure all schools are accessible for students with disabilities
- Provide classrooms to help students prepare for careers in technology
- Upgrade security cameras, fire alarms, sprinklers
- Improve student safety
- Provide hands-on education and training facilities to help prepare students for good-paying jobs after graduation

Vote YES on "H" and "I" for programs to:

- Promote hands-on learning
- Help train young people for important careers after high school, including agriculture, public safety, medical, computer science, engineering, information systems

YES on "H" and "I": maintaining our local high schools maintains our local property values!

YES on "H" and "I" include **strict accountability** requirements including annual independent audits and a review of all spending by a citizens' oversight committee.

YES on "H" and "I" **requires all funds to be used locally** – NO MONEY from the measures can be used for administrators' salaries or pensions.

EVERY PENNY of Measures "H" and "I" must be accounted for and utilized to benefit local high school students. NO Money for Sacramento or the County!

Remember to Vote YES on "H" and "I"! Our local high school students are depending on you!

Local teachers, parents, small business owners and your neighbors all agree – YES on "H" and "I"!

"Join me in voting YES ON "H" and "I." I graduated from King City High School in 1966. Like an old house, our schools need fixing!" – Suzanne Krause, School Alumni.
