

## Local Ballot Measure: K

Arguments and rebuttals are the opinions of the authors. We print them exactly as submitted.

### Argument In Favor of Measure K

#### Vote YES on Measure K for Critical Classroom Repairs!

Our elementary and middle schools are more than just educational facilities; they are the cornerstone of King City, providing a safe environment for our children to grow, learn and thrive. Well-maintained, quality schools support the future success of our children and enhance the value of our homes and businesses, making them our community's most valuable assets.

**However, our schools need repairs and updates. Vote YES on Measure K** to make critical repairs and renovations at Chalone Peaks Middle, Del Rey Elementary, Santa Lucia Elementary, King City Arts Magnet, and the Early Education Center—**without increasing taxes.**

#### Measure K includes critical infrastructure repair projects for our schools:

- Repairing or replacing leaky roofs
- Repairing or replacing aging electrical systems and wiring
- Replacing inefficient heating, ventilation and air-conditioning systems
- Replacing leaking and clogged plumbing systems
- Renovating and repairing aging restrooms and drinking fountains
- Renovating or replacing deteriorating portable classrooms
- Repairing and updating existing classrooms and facilities

#### Measure K safeguards taxpayers and benefits our community:

- **Guaranteed Local Investment:** By law, Measure K funds cannot be taken by the state and spent elsewhere
- **Transparency and Accountability:** Full public disclosure of all spending, independent citizen oversight and annual audits ensure responsible use of funds
- **Fund for Projects Only:** Prohibiting the use of funds for administrators' salaries, pensions or benefits
- **State Matching Funds:** Measure K qualifies King City Union School District for additional matching funds from the state

Vote YES on Measure K to make critical repairs and renovations to our local schools, provide safe learning environments and improve our community's most important assets—**without increasing tax rates.** An investment in Measure K is an investment in our community. Please join parents, guardians, grandparents, neighbors, business owners and community leaders in voting **YES on Measure K!**
