Local Ballot Measure: EE

Full Text of Measure EE

North County Public Recreation District

The proposed tax measure aims to improve the quality of parks and recreational opportunities within the North County Public Recreation District. By establishing a dedicated funding source, the district can address several key areas.

- Safe Parks: Ensure that parks are well-maintained, free from litter and hazards, and provide a welcoming environment for all residents.

- Enhanced Recreational Programs: Expand and diversify recreational offerings to cater to the diverse interests and needs of children, youth, adults, and seniors. This may include new sports leagues, fitness classes, cultural events, and educational programs

- Accessibility for All: Upgrade park facilities and infrastructure to ensure compliance with accessibility standards, allowing individuals with disabilities to fully participate in recreational activities.

- Improved Park Bathrooms: Regularly maintain and clean restrooms in parks to ensure sanitary conditions and a positive user experience.

- Experienced Staffing: Attract and retain qualified staff to manage facilities, organize programs, and provide supervision for recreational activities, ensuring a high level of service and safety.

To achieve these goals, the tax measure proposes an annual levy of $82.00 per parcel on each parcel within the district. This is projected to generate approximately $300,000.00 per year in dedicated revenue for park improvements and recreation programs.

Investing in parks and recreation yields a multitude of benefits for communities. Parks and recreational spaces encourage physical activity and mental well-being for people of all ages, promoting a healthier populace overall. They serve as vital gathering spots, nurturing social bonds and cultivating a shared sense of community pride.

By supporting this tax measure, residents of the North County Public Recreation District can invest in the future of their parks and recreational facilities, creating a healthier, more vibrant, and inclusive community for all.
