

## Local Ballot Measure: AA

### Fiscal Impact Statement of Measure AA

Measure AA proposes to increase the Transaction and Use Tax in unincorporated areas of the County of Monterey by 1%. If approved, the measure is expected to generate approximately \$29 million in annual additional revenue for the County. The revenue generated from this tax is subject to be spent for general purposes such as the services listed in the measure.

There is no direct impact to the County's expenses with approval of the measure.
