- ✓ UNDERSTOOD WHAT WAS EXPLAINED (Agree to Strongly agree: 100%)
- ✓ OVERALL, RECEIVED EXCELLENT SERVICE (Agree to Strongly agree: 100%)

CUSTOMER SATISFACTION SURVEY

CUSTOMER COMMENTS:

Because of food safety audits, they request that we are "trained." Could the lab provide free short course to meet this audit requirement?

My visits to the Environmental Health Lab are always pleasant. The staff is friendly, courteous, and always answer my questions.

We appreciate the opportunity to continue receiving service with the MCCCL in Salinas!
