Steven P. Saxton, present
Danielle Gerber, present

Case regularly called for hearing on Plaintiff's ex parte motion for approval of settlement.

Counsel agree settlement should be approved by the Court, however, Mr. Saxton objects to its characterization as a judgment. Ms. Gerber states that her client is not a signatory to the settlement but has no objection to entry of a dismissal as to her client.

The Court approves settlement and grants motion to dismiss all matters with prejudice.//
