

**COUNTY OF
MONTEREY
HEALTH DEPARTMENT
ENVIRONMENTAL HEALTH BUREAU**

Engineering Firms

The following is a partial list of engineering firms with whom Monterey County Health Department, Environmental Health Bureau, (MCHD, EHB) has recently worked. The list is not complete and should only be used as a guide in starting the search for an engineering firm. MCHD, EHB does not endorse or recommend any of the following firms over others or any engineering firm that is not listed. MCHD, EHB recommends that you question prospective engineers about their experience with projects similar to yours.
