Dear Ms. Onciano,

I am writing this letter to oppose the proposed Rancho Canada Village development. This development would greatly impact the quality of life for Carmel Valley residents. Two of my greatest concerns are traffic and water resources. Carmel Valley Road cannot accommodate the increased traffic that this development would generate. Where would the water come from for this project?

I have lived in Carmel Valley for twenty four years and would be very disappointed to see this project approved.

Sincerely,

Deborah Greenberg
