~~*****~~ Dear Ms. Onciano:

Despite my note to you saying the letter from the Carmel Valley Women's Network would go out to you today, I am afraid that I lost the keys to my car and house and couldn't go anywhere. Awful. I apologize profusely and thought the quickest way to get this to you was via e-mail., so here it is.

Most sincerely yours,

Grace Darcy

Dear Ms. Onciano:

In our March 19, 2005 letter to you regarding Rancho Canada Village, we expressed our strongest objections to this horrific proposal. After reviewing the environmental documents, we saw absolutely nothing that would change our minds.
