

The seal of Monterey County, California, is a circular emblem. It features a central figure of a Native American man holding a bow and arrow, standing on a rocky outcrop. The background of the seal shows a landscape with mountains and a bay. The words "MONTEREY COUNTY CALIFORNIA" are written around the perimeter of the seal.

Guidelines for Cleanup Day Coordinators

*A step by step guide for making a successful
Cleanup Day in your community*

Revised 03/2022

This guide will provide you with the necessary information to make your cleanup a successful one; from surveying a cleanup site to obtaining permission to enter the property, to obtaining the proper supplies.

Introduction

The Illegal Dumping Task Force of Monterey County is comprised of Monterey County Departments (Health, Sheriff, Public Works, Water Resources Agency, and Board of Supervisors' Offices), Caltrans-District 5 Transportation Agency of Monterey County, Salinas Valley Solid Waste Authority, Monterey Regional Waste Management District, Republic Services of Salinas, Tri Cities Disposal, Waste Management Inc., Monterey County Farm Bureau Grower-Shipper Association of Central California, Elkhorn Slough Foundation and the Fort Ord Reuse Authority (See Appendix A).

The first Monterey Cleanup held in 2006 had a total of 6 volunteers. The next year the cleanup grew to over 350 volunteers and in 2012, cleanup day averaged 2000 volunteers. From 2006-2012, 212 tons of trash has been collected throughout the county. That's almost as much as what the Statue of Liberty weighs¹. Our volunteers have helped keep our county looking beautiful. Keeping our county clean is good for our local economy and it's good for the planet too. By keeping the land clean and free of litter we are also keeping our marine neighbors happy and healthy.

The Illegal Dumping Task Force's mission is to diminish illegal dumping that threatens human health and safety. Illegal dump sites attract vectors that can transfer diseases and may contain hazardous materials harmful to the environment. The Solid Waste Management Services and Recycling Resource Recovery Services coordinate a countywide Cleanup Day, an annual event that brings community volunteers and county agencies together to cleanup illegal dump sites or litter throughout the Monterey County.

Congratulations on taking the first step towards coordinating your cleanup. With your efforts, our beautiful county will remain pristine for generations to come.

• ¹ Total weight of the Statue of Liberty is 225 tons (or 450,000 pounds) , http://statueofliberty.org/Fun_Facts.html

Organizing a Cleanup

The County of Monterey Solid Waste Management Services (SWMS) and Recycling Resource Recovery Services (RRRS) can assist you in organizing a cleanup day in your community. This guide will outline a step-by-step process you can follow to make your event a success. SWMS and RRRS staff can also be contacted directly at (831) 755-4505 to assist you as during your planning stages.

Good Luck!

Step 1 – Survey the Cleanup Site

Assess the area being cleaned to estimate the number of volunteers and additional support needed. Obtain prior authorization from the owner if the area is private property. SWMS and RRRS can assist the cleanup organizer/organization obtain authorization from property owner. When assessing the area, note and document the following:

- Amount and types of trash
- Situations requiring special tools or equipment
- Safety concerns
- Hazardous waste (see Appendix B.)
- Estimate of the number of volunteers needed
- Precise location where cleanup will take place
- Take photos of site before cleanup

Step 2 – Organize a Group of Volunteers

Find volunteers in the community that value a clean and healthy environment. Share the information gathered with community members. Emphasize the importance of working together to keep the community clean. Outreach to community businesses and government agencies for additional assistance. After establishing a group of volunteers, choose a cleanup date and time. We recommend organizing cleanups between the months of April through October to avoid rain and cold weather. Consider more than one cleanup attempt if the site being cleaned is large.

Additional support and resources may be obtained from SWMS and RRRS. SWMS and RRRS require that all volunteers including organizers sign a release of liability waiver in order to provide the additional support.

Step 3 – Obtain Permission to Enter the Property

Prior to cleanup, permission must be obtained from owner to enter private property. The owner must sign a form prior to cleanup that authorizes entrance into premises. Owners must be willing to sign proper authorization forms for cleanup to be approved. The property owner is not obligated to grant additional cleanup dates if cleanup is not successfully completed in one day.

Monterey County can assist with obtaining owner information and approval. Owner information can be obtained in the Monterey County's assessors' office. Ask for owner cooperation and permission to

cleanup property. Give the owner time to reply to the cleanup request. Notify the County of Monterey, Environmental Health Bureau if cleanup will be held on public or private property.

Step 4 – Assess the Site for Cleanup

Setup an appointment with owner of property to assess the area with the owner. Walk with owner through the area and note any special tools or equipment needed to remove waste. Take photos of site before cleanup and note any safety concerns. Contact a local scrap hauler to get an estimate of trash that will be disposed of.

Estimate the amount of waste that will be collected to ensure the right size dumpster is obtained for the cleanup. Locate an accessible area where the dumpster can be placed and easily removed.

The safety of the volunteers should always be a priority. If cleaning is taking place next to an open road, request road closure to ensure the safety of volunteers. Find safe parking areas for volunteers prior to the cleanup.

Step 5 – Secure Waste Disposal Voucher if applicable

Ensure that all waste collected from the cleanup site is properly removed and disposed of. When organizing the cleanup contact the local scrap haulers, landfills, and transfer stations that handle waste on the regular basis. They can provide additional information of proper waste disposal that follow local and state-wide regulations.

The County of Monterey, Environmental Health Bureau can assist with the cost of waste disposal. Free disposal vouchers are available if you have been a victim of illegal dumping, or if you would like to organize a cleanup event. For additional information on rules and regulations for disposal vouchers see Appendix D.

The following lists the various disposal services available in the County of Monterey:

For disposal or reuse information call **1-800-CLEANUP**. Or visit the website www.1800cleanup.org

You may contact **Monterey County Recycling Resource Recovery Services (831) 755-4505**

Please note that only those highlighted in yellow below accept Disposal Vouchers

Permitted Disposal Facilities in Monterey County:

- **Johnson Canyon Landfill (HHW)***
31400 Johnson Canyon Road, Gonzales, CA 93926
(831) 675-2165
Mon-Fri 7AM-4PM, Sat-Sun 8AM-4PM
- **Jolon Road Transfer Station**
52654 Jolon Road, King City, CA 93930
(831) 385-0353
Mon-Fri 8M-4PM, Sat 8AM-12PM

- **Sun Street Transfer Station (HHW)***
139 Sun Street, Salinas, CA 93901
(831) 424-5535
Mon-Fri 7AM-5PM, Sat 8AM-4PM
- **Monterey Regional Waste Management District (HHW)***
14201 Del Monte Blvd., Marina, CA 93933
(831) 384-5313
Mon-Fri 7AM-4PM, Sat 8AM-4PM
- **Republic Services – Post Collection Facility of Salinas**
1120 Madison Lane, Salinas, CA 93907
(831) 775-3850
Mon-Fri 7AM-4PM, Sat 8AM-5PM
- **Bradley Transfer Station**
Off El Camino-Bradley Road, Bradley, CA 93426
(831) 755-4800
Sat 8AM-12PM
- **Carmel Valley Transfer Station**
9 Pilot Road, Carmel Valley, CA 93924
(831) 384-5000
Fri-Sat 8AM-3PM
- **San Ardo Transfer Station**
Cattleman Road, San Ardo, CA 93450
(831) 755- 4800
Sun 8AM-3PM

** (HHW) indicates site accepts Household Hazardous Waste (e.g. Paint, batteries, oil). Call site for details.*

Step 6 – Obtain Cleanup Supplies

Seek donations from volunteers and local businesses to assist with cleanup efforts. You may be able to borrow some of the supplies from SWMS and RRRS. Consider having the following supplies available at cleanup site:

- Heavy duty work gloves – These gloves will protect from broken glass, sharp objects, grime, and weeds.
- Non-Latex gloves – Ideal for wet and muddy cleanup areas.
- Hand Sanitizer – Sanitizer should be available for anyone volunteering at the site.
- Safety vest – Makes volunteers visible and identifiable to the public.
- Safety signs – Signs that direct vehicles entering the cleanup site. Safety signs that make the public aware of hazards.
- First aid kit – In case of a minor injury, a first aid kit should be available at site.
- Cell phone – In case of any unforeseen event, a phone should be available to communicate with emergency services.

- Shovel, rake, and pitchfork – Facilitates the cleanup of broken items such as glass and drywall.
- Ropes and straps – Useful for pulling and tying large items.
- Buckets – Facilitates the transportation of broken items and reduces the amount of plastic bags used.
- Large trash bags – The ideal trash bag should be sturdy and holds more than 30 lbs.
- Caution tape – Ideal for marking restricted and dangerous areas.
- Water bottles for volunteers.

Step 7 – The Day of the Cleanup

Pre-Cleanup Responsibilities

- Put up signs around the cleanup site.
- Mark restricted or hazardous areas with caution tape.
- Identify and mark loading areas.
- Assign job duties to volunteers according to their capabilities.
- Identify trash, recyclables, and hazardous materials prior to cleanup.
- Make sure all volunteers sign release of liability waiver (see Appendix E).
- Review cleanup strategy with volunteers.
- Answer any questions from volunteers regarding cleanup strategy.
- Make sure all volunteers sign-in (see Appendix G).
- Inform volunteers where first aid kit, cell phone, waters, and other items are located.
- If minors are volunteering, parents must sign Guardian's release of liability form (see Appendix F).
- Distribute safety vest, gloves, and trash bags or buckets.

Cleanup Wrap-up

- Wrap-up cleanup event on time.
- Gather volunteers and thank them.
- Verify that volunteers vacate site, if working on private property.
- Account for all volunteers, if working on public property
- Announce if additional cleaning dates will be necessary.
- Collect signs and supplies.
- Inspect for any stray items.
- Take pictures of area after cleanup.

Step 8 – Post Cleanup

The following should be done post cleanup:

- Verify that the waste has been hauled or picked up from site.
- Return any supplies borrowed.
- Keep information of volunteers for future cleanup events.
- Thank donors and volunteers for their support and help.

What do I do if I find Hazardous Waste?

Common items considered Hazardous Waste:

- Antifreeze
- Pesticides
- Motor oil and filters
- Paint & thinners
- Cleaners and chemicals
- Aerosol Cans
- TV's, computers
- Monitors, cell phones, etc.
- Fluorescent tubes/bulbs
- Syringes
- Needles
- Razors
- Flammable products such as propane tanks
- Batteries
- Drug lab waste
- Animal Carcasses

If the items pose an immediate hazard (i.e. containers are broken, leaking or venting), call 911.

If the above items do not pose an immediate hazard, please note the position with the appropriate marker and notify your Coordinator (see reverse for contact number)

Appendix C: Sample Disposal Voucher

Disposal Voucher

Monterey County
 Illegal Dumping and
 Litter Abatement Task Force

Voucher Number:

18/19 – #

Issue Date: 1/3/2019

Valid for 45 days from date of issue

To Redeem this Disposal Voucher at the Scale House for free disposal

- Collect everything listed in this (green) box AND
- Securely tarp all loads.
- Separate hazardous waste & E-waste from trash on load.
- Do not transport more than 15' tall or 125 pounds of (household) hazardous waste (HHW).

LEGAL STATEMENT I/We certify that this disposal voucher has been redeemed in accordance with all rules and regulations listed above as well as all policies and procedure governing the Disposal Voucher Program. If it is determined by the Monterey County Department of Health - Environmental Health Bureau that this voucher has been redeemed under pretenses not in line with the Disposal Voucher Program, I/We, by signing below, accept full financial responsibility for reimbursing the respective solid waste Joint Power Agency (JPA) for any or all disposal costs associated with improper redemption of this voucher.

Signature of Person Redeeming this Disposal Voucher: _____
 Name of Person Redeeming this Disposal Voucher: _____ (Print)
 Phone #: (____) _____ - _____
 Vehicle License Plate #: _____
 Vehicle Make / Model / Year: _____

If applicable, please list the following:
 # of Mattresses / Box Springs: _____
 # of Tires: _____

Next Step: When everything is filled-out completely, give this Disposal Voucher to Scale House to Redeem

This voucher authorizes the free disposal of collected materials to Monterey Peninsula Landfill (Marina) during normal facility operating hours.

Information listed below is for Scale House (ONLY)

Appendix D: Disposal Voucher Program Rules

The Monterey County Health Department- Bureau of Environmental Health, the Monterey Regional Waste Management District, and/or the Salinas Valley Solid Waste Authority reserve the right to refuse acceptance of this voucher at any time.

Monterey County Illegal Dumping and Litter Abatement Task Force

Program Rules

- Vouchers can only be used for the following purposes:
 - Public area community clean-up events organized by non-profit organizations
 - Illegal dump sites in Monterey County
- Each voucher may only be used for one (1) pickup truck/car load or trailer.
- Voucher(s) expire 45 days after date of issue unless authorized by MCEHB.
- Voucher recipients are limited to 1-2 vouchers per clean-up site/event unless authorized by MCEHB.
- The use of disposal voucher(s) requested shall not be used as a garbage disposal service for cleaning out the garage, business, and/or homes.
- The use of this disposal voucher(s) requested is not for personal waste, personal household waste, hazardous waste, and/or business-generated waste.
- All voucher(s) recipients must abide by any applicable flow control provisions of the respective Solid Waste Joint Power Agencies (JPA).
- All voucher recipients must not infringe upon the franchise rights of any solid waste haulers.
- Disposal voucher(s) are not redeemable by franchise waste haulers or other commercial haulers.
- Not more than 15 gallons or 125 pounds of Hazardous Waste and/or Household Hazardous Waste (HHW) will be transported .
- All HHW needs to be separated from general waste and be delivered to a Household Hazardous Waste Facility:
 - Monterey Peninsula Landfill's Household Hazardous Waste Collection Facility (Marina)]
 - Sun Street Transfer Station (Salinas)
- All Electronic Waste (computers, televisions, etc.) needs to be separated and be delivered to the electronic waste collection area of the disposal location.
- Not more than 9 tires will be transported per load unless authorized by MCEHB.
- All loads need to be tarped and secured for safe transport.

Recipient responsibilities

- Recipients of disposal voucher must redeem voucher(s) at scale house
 - Recipient must adhere to covering/tarpping requirements, hazardous waste transport requirements, and tire transport requirements.
- Recipient must complete the box portion on the front side of the disposal voucher form including:
 - Signature of person redeeming the disposal voucher verifying Legal Statement (on disposal voucher)
 - Name of person redeeming the disposal voucher.
 - Phone # of person redeeming the disposal voucher.
 - Vehicle license plate number.
 - Vehicle make, model, and year.
 - # of mattress / box spring (if applicable)
 - # of tires (if applicable)
- Recipient must surrender voucher to scale house attendant at time of redemption.
