## CITY OF SEASIDE STAFF REPORT

- **TO:** Successor Agency to the Redevelopment Agency of the City of Seaside
- FROM: Craig Malin, City Manager
- **BY:** Victor Damiani, Finance Director Jessica Riley, Accounting Assistant
- DATE: December 17, 2020
- SUBJECT: REVIEW OF THE RECOGNIZED OBLIGATION PAYMENT SCHEDULE (ROPS) 21-22 FOR THE PERIOD JULY 1, 2021 -JUNE 30, 2022 PURSUANT TO HEALTH AND SAFETY CODE SECTION 34177

## **RECOMMENDATION**

That the Successor Agency Board review the ROPS 21-22 for the period July 1, 2021 – June 30, 2022 pursuant to Health and Safety Code Section 34177 and direct staff to forward to the Oversight Board.

## **BACKGROUND**

Upon dissolution of the Redevelopment Agency of the City of Seaside on February 1, 2012 pursuant to AB X1 26, the Successor Agency to the Redevelopment Agency of the City of Seaside was constituted and is governed by a board of directors consisting of the members of the City Council.

Pursuant to Health and Safety Code Section 34177, successor agencies are required to prepare Recognized Obligation Payment Schedules (ROPS) prior to each twelve-month fiscal period. The Successor Agency previously prepared a ROPS for the fiscal period commencing on July 1, 2020 and ending on June 30, 2021 (ROPS 20-21). At this time, a ROPS has been prepared for the next twelve-month fiscal period commencing on July 1, 2021 and ending on June 30, 2022 (ROPS 21-22).

The ROPS 21-22 is to be submitted to the County Auditor-Controller, the County Administrative Office, the Department of Finance (DOF) and the State Controller's Office by February 1, 2021. Prior to submission, the ROPS must be reviewed and approved by the new Consolidated Oversight Board on January 7, 2021. The Successor Agency must submit the ROPS to the DOF and a copy of the Consolidated Oversight Board's approved ROPS must be posted on the Successor Agency's website.

The DOF may eliminate or modify any items on the ROPS before approving the ROPS. The DOF must make its determination regarding the enforceable obligations and the amount and funding source for each enforceable obligation listed on a ROPS no later than 45 days after the ROPS is submitted. Within five business days of the DOF's determination, the Successor Agency may request to "meet and confer" with the DOF on disputed items. The County Auditor-Controller may also object to the inclusion of any item on the ROPS that is not demonstrated to be an enforceable obligation and may object to the funding source proposed for any item.

Beginning with ROPS 19-20, the ROPS must be presented for the Consolidated Oversight Board (COB) for approval before being submitted to DOF. Previously the ROPS was presented to the Seaside Oversight Board. Due to changes in the law, there is now one Consolidated Oversight Board for each County. Upon the COB approval, the ROPS 21-22 will be submitted to DOF. The COB will meet on January 7, 2021. The COB requires all information related to the ROPS 21-22 to be submitted by December 18, 2020 for inclusion in their agenda packet.

The COB requests an explanation of previously approved ROPS items and an explanation of any changes requested for ROPS 21-22. Since the COB is requesting that information, it is also hereby presented to the Successor Agency (SA) to inform the SA of what information the COB will receive.

A summary of the approved ROPS items is attached. The Obligation Amount is the outstanding amount as of June 30, 2021. The ROPS 21-22 Amt. is the amount being requested as part of ROPS 21-22. The summary is followed by an explanation of each item and any changes.

## FISCAL IMPACT

Preparation of the ROPS 21-22 is in furtherance of allowing the Successor Agency to pay enforceable obligations of the former redevelopment agency.

#### 2020-21 Annual Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (o) (1), the City of Seaside Successor Agency (Agency) submitted an annual Recognized Obligation Payment Schedule for the period of July 1, 2020 through June 30, 2021 (ROPS 20-21) to the California Department of Finance (Finance) on January 24, 2020. Finance has completed its review of the ROPS 20-21.

Based on a sample of line items reviewed and application of the law, Finance made the following determinations:

- On the ROPS 20-21 form, the Agency reported cash balances and activity for the period July 1, 2017 through June 30, 2018 (ROPS 17-18). According to our review, the Agency has approximately \$36,415 from Reserve Balances and \$17,885 from Other Funds, totaling \$54,300, available to fund enforceable obligations on the ROPS 20-21. HSC section 34177 (I) (1) (E) requires these balances to be used prior to requesting Redevelopment Property Tax Trust Fund (RPTTF) funds. This item does not require payment from property tax revenues; therefore, with the Agency's concurrence, the funding source for the following item has been reclassified in the amount specified below:
  - Item No. 48 Reserve for 2014 Tax Allocation Refunding Bond payment in the amount of \$145,881 is partially reclassified. Therefore, Finance is approving RPTTF in the amount of \$91,581, the use of Reserve Balances in the amount of \$36,415, and Other Funds in the amount of \$17,885 totaling \$145,881.
- The administrative costs claimed are within the fiscal year administrative cap pursuant to HSC section 34171 (b) (3). However, Finance notes the Oversight Board (OB) has approved an amount that appears excessive, given the number and nature of the obligations listed on the ROPS. HSC section 34179 (i) requires the OB to exercise a fiduciary duty to the taxing entities. Therefore, Finance encourages the OB to apply adequate oversight when evaluating the administrative resources necessary to successfully wind-down the Agency.

Pursuant to HSC section 34186, successor agencies are required to report differences between actual payments and past estimated obligations (prior period adjustments) for the July 1, 2017 through June 30, 2018 (ROPS 20-21) period. Reported differences in RPTTF are used to offset current RPTTF distributions. The amount of RPTTF authorized includes the prior period adjustment (PPA) resulting from the County Auditor-Controller's (CAC) review of the PPA form submitted by the Agency, as adjusted by Finance. Specifically, Finance changed the amount of RPTTF available for Item No. 23 from \$1,250,182, to the Agency reported amount of \$1,520,182. Finance received concurrence from the CAC for this change.

The Agency's maximum approved RPTTF distribution for the reporting period is \$336,101, as summarized in the Approved RPTTF Distribution table (see Attachment).

RPTTF distributions occur biannually, one distribution for the July 1, 2020 through December 31, 2020 period (ROPS A period), and one distribution for the January 1, 2021 through June 30, 2021 period (ROPS B period), based on Finance's approved amounts. Since this determination is for the entire ROPS 20-21 period, the Agency is authorized to receive up to the maximum approved RPTTF through the combined ROPS A and B period distributions.

Except for the item adjusted, Finance is not objecting to the remaining items listed on the ROPS 20-21. If the Agency disagrees with our determination with respect to any items on the ROPS 20-21, except items which are the subject of litigation disputing our previous or related determinations, the Agency may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available on our website:

http://dof.ca.gov/Programs/Redevelopment/Meet\_And\_Confer/

The Agency must use the RAD App to complete and submit its Meet and Confer request form.

Absent a Meet and Confer, this is our final determination regarding the obligations listed on the ROPS 20-21. This determination only applies to items when funding was requested for the 12-month period. If a denial by Finance in a previous ROPS is currently the subject of litigation, the item will continue to be deemed denied until the matter is resolved.

The ROPS 20-21 form submitted by the Agency and this determination letter will be posted on our website:

http://dof.ca.gov/Programs/Redevelopment/ROPS/

This determination is effective for the ROPS 20-21 period only and should not be conclusively relied upon for future ROPS periods. All items listed on a future ROPS are subject to review and may be denied even if not denied on this ROPS or a preceding ROPS. The only exception is for items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of Final and Conclusive items is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment available prior to the enactment of the redevelopment dissolution law. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax increment is limited to the amount of funding available to the Agency in the RPTTF.
